

Permission Slip
Pewaukee PTO Color Run
Friday, October 5, 2018

Horizon Elementary School students will be participating in the PTO Color Run on Friday, October 5, 2018. This event encourages students to stay fit while celebrating with color powder! The color powder used at the Color Run event is food grade cornstarch.

Volunteers will hold bags of color powder in designated areas of the speedway. Periodically during the race, they will throw the color in the air for the students to run through! All students will have sunglasses to protect their eyes during the race.

The color does mostly wash out after the event. As with anything dirty, the sooner you wash it the better. Please dress your child appropriately for the outdoor run. They will get dirty!

The PTO and parent volunteers will have a clean-up station with leaf blowers to blow off the color dust from student's clothes, but we recommend all students bring a towel on the day of the run.
